Note that in Ingham, Ionia, and Montcalm ISDs, the tax revenue generated and revenue generated per pupil fields have been adjusted to reflect the fact that CTE millage revenue is not collected in the taxing areas of Lansing, Lakewood, Greenville, and Tri-County school districts. Also, "total pupils" includes the pupils in constituent districts and enrolled at the ISDs themselves. Finally, the numbers shown above may overstate local revenue received by ISDs in the event where a TIF captures only ISD tax revenue (which is not reported) and not local school operating taxes (which would be reported).
